

Minutes of General Meeting held on 03-25-2006 at Providence Medical Center

The meeting was called to order by President, Frank Dolan, N7WUB, at 0800 R. The President asked members to introduce themselves. There were twenty four signed in.

The minutes of the 02-25-06 meeting were read and approved.

The Treasurer's report was read by Gary Whiting, W7MGG, for the period 02-25-06 through 03-24-06, and approved as read.

VE reports for sessions held on 02-25-06 and 03-24-06 were read by Acting Liason, Gary Whiting, W7MGG.

The program was about Field Day plans and was presented by Co-Coordinator, Eric Nordin, AD7BF. He discussed "lessons learned" at the last year's event. Problems were encountered in the logging procedures and could be improved by assigning two operators at each station. One would do the logging and the other would do the "operating". Sign-up sheets will be created for various tasks needing attention at the Field Day.

The meeting was adjourned at 0905 R.

Respectfully submitted,  
Gary N Whiting, W7MGG  
Secretary
