2016 Field Day - Kevin KG7CLD

Field Day, 103 People signed in, most were operators.

Field Day Logs will be available on the Club's Web Site.

27 Operators in the log, Dave Crosby AG7F accounted for 27% of our contacts. I don't think he slept.

Thanks to the team that built and tested the Fan Dipole before hanging it on Field Day. The 80-40-20 meter Fan Dipole worked amazingly well.

Chris K7II with lots of help erected his 20 meter dipole next to Ray's KD7AVP 5 Ton 6X6. It was Fun to watch and a bit scary at times watching it go up.

Jack's KC7YE wife mentioned to Jack that in the 40 or so years she been attending field day events this was by far the most professional she's seen.

Jess AD7PZ thank you for the wonderful field day photos on DVD. I don't know how you do it. Thank you I know the Club Member's looks forward to your Field Day photos every year.

Jim K7KFB the DEM Mobile Communication Van was a Hit. Thank you for the tour.
